

## **CAMco Emergency On-Call Service**

The purpose of this notice is to give general guidance to homeowners about how they should handle and report home emergency situations.

If you have a life threatening health issue, a fire or major home damage caused by a tornado, hurricane, falling trees, etc., report the EMERGENCY immediately to the authorities by dialing **911** for assistance. Then report the emergency to our Residential Property Manager Julia Robbins at her direct phone 484-534-3950 or email at [JRobbins@camcomgmt.com](mailto:JRobbins@camcomgmt.com).

For less threatening emergencies during normal business hours, please report the EMERGENCY to our Residential Property Manager Julia Robbins at her direct phone 484-534-3950 or email at [JRobbins@camcomgmt.com](mailto:JRobbins@camcomgmt.com).

CAMco maintains a 24 hour, seven day a week emergency response system. Should you experience a less than life threatening emergency outside of normal business hours, please call our main number at **610-446-9292** and you will be directed to the emergency answering service.

Please utilize this service to report emergencies such as sewer back-ups, substantial water infiltration to the basement and interior spaces, leaking roofs, etc.
