

TERMITE POLICY

If termites are suspected:

1. Report concern to Management Office.
2. Management will contact the Association's Pest Control Company to schedule an appointment with the homeowner for a termite inspection.
3. With the governing board's approval of a written estimate for treatment of a confirmed termite infestation, the Pest Control Company will proceed according to industry approved methods.
4. Fee for treatment of termite infestation is paid by the Association and includes a one year guarantee against a recurrence.
5. The fee for an extended guarantee/warranty is the responsibility of the homeowner as is the cost to repair any termite damage to the interior of the home.
