

PUTNAM VILLAGE ROOF PROJECT

We will be starting the project on 10/26/2026. The order in which we will go is as follows:

Building 1 - 1169, 1173, 1179, 1183

Building 2 - 1157, 1161, 1163, 1167

Building 3 - 1145, 1149, 1151, 1155

Building 4 - 1129, 1133, 1139, 1143

Building 5 - 1113, 1117, 1123, 1127

Building 6 - 1101, 1105, 1107, 1111

Building 7 - 1049, 1053, 1059, 1063

Building 8 - 1033, 1037, 1043, 1047

Please relocate vehicles by 7:30am each morning except Sunday until your roof is complete. We anticipate each building taking 5-6 days. We will update you as we progress through the work week. Inclement weather will cause delays.

A dumpster will be placed in an area close to the building where we are working. We will place it in the least inconvenient spot possible.

**CONTACTS: (office) 610-873-1696
(on site) 215-460-1197**

NOTE: Please take any art work or knick knacks hanging on 2nd floor walls down. During construction there will be vibrations that could knock down poorly hung items. Thank you.
