

Putnam Village Condominium Association 2021 Pool Season

April 28th, 2021

Dear Putnam Village Homeowner,

We are pleased to announce the pool will be opening on Monday, June 14th, 2021. The Putnam Village Board and Management have worked closely with Danbury Village to ensure your enjoyment of the pool this summer. The pool will be open every day from 12PM to 8PM. There will be an hour break from 4PM to 5PM each day for sanitization where all residents must leave the pool area.

In these challenging and unprecedented times, we need to do everything we possibly can to keep the Community safe. The delay in opening was due to development of mandatory additional guidelines that will help ensure we follow CDC regulations on pools. To facilitate these additional procedures, we had to hire an extra employee every day through our pool company.

Attached you will find a copy of the updated mandatory guidelines for the Putnam/Danbury pool this summer in addition to our regular pool rules. If you would like to visit the pool this season, please fill out the attached pool form in entirety and sign the attached liability waiver. Pool passes will be distributed for members of the Putnam Village household only that are listed on the pool form. The liability waiver must include any minor children of the household.

These additional measures are for the protection of the entire Community and are subject to change based on CDC guidelines and increases in COVID-19 statistics within the area.

Should you have any questions regarding the upcoming pool season, please feel free to contact Community Manager, Rosie Cossentino, at rcossentino@camcomgmt.com or 610-350-4020 EXT 317.

We appreciate your understanding and cooperation in advance.

Sincerely,

Putnam Village Condominium Association

Board of Directors
CAMCO – Managing Agent
