Mr. Walter Antkiewicz
949 Putnam Boulevard
Wallingford PA 19086-6760

Dear Mr. Antkiewicz:

Thank you so much for sending me your letter, and for taking the time to share your thoughts regarding the expansion of electric charging stations, especially in condominiums. The resistance you are facing against these clean energy measures is disappointing. I appreciate that you are advocating for charging stations specifically as they encourage the use of cleaner cars and better-quality air for Pennsylvanians.

I am pleased to tell you that I fully support the efforts made by New Jersey and New York to improve the expansion of charging stations at condominiums. I plan to introduce similar legislation here in Pennsylvania to encourage the development of electric car charging stations and improve deployment, specifically within condominiums. My staff will be in contact with you to discuss the legislation.

As long as I am serving the 9th Senatorial District, you can count on me to fight for climate friendly policies that encourage clean air for generations to come.

Once again, I thank you for sharing your concerns. If you have any other comments, please do not hesitate to reach out! You can also call my office at (610)-447-5845 or send an email at kane@pasenate.com.

Sincerely,

A handwritten signature in cursive script that reads "John I. Kane".
